I said  
I think I'm working too hard  
And you said yeah  
I said  
I just might quit that job  
And you said yeah

I can't say you're not listening  
But baby you won't talk to me

Chorus:  
Talk to me  
Tell me that you care because  
I'm feelin'  
Like we're so outta touch  
Even  
If there's something you're afraid of  
Tell me what you need  
Won't you talk to me

Would you say  
This is love we found  
Well I'd say yeah  
Would you say  
That it's worth workin' on  
Well I'd say yeah

To me it would mean everything  
You know you got to talk to me

Repeat Chorus
