It seems we're all looking for a peace we need inside  
A peace we lost so long ago, why do we turn away.  
It seems so much easier through the mind of a child.  
So young and innocent, all we had to do was play  
But the time must come for you to go out into the world  
we know

And you'll see what it means to believe

Chorus:

Fall into the mind of a child  
See the truth through the eyes of a child  
If you find the hope of a child  
That's where you'll find peace

Verse:

Wouldn't it be nice to live like a child. Don't worry about  
anything.

Not a care in the world.

Wouldn't it be nice to think like a child. With constant  
simple logic,  
everything seems so clear.

But the time must come for you to go back into world  
we know.

And you'll see what it means to be lost and confused.

(Chorus)

Though it feels like time has never been on our side  
Peace will overcome

The faith we bring will conquer all our fears inside

Peace will lead you home

End Chorus:

Fall into the love of a child  
Feel the joy, with the spirit of a child  
Come to the Son with the heart of a child  
That's where you'll find peace
