No 1 Asks at the Known End's Edge it's clearest answer
No 2 Temporarily controls No 1's fear of No 3
No 3 Strays out away from all relations
No 1 Names No 2 "HALF-ETERNITY"
No 2 (don't) reply to that
No 3 Will sometime be pure
No 1 Must think of No 1 as No 1 in action and end
No 2 May have replied but also eventually made that
question...
No 3 Is the Only one at last; No 1 and No 2 blindly
related

They blindly related, for some (knew)...
For Black is the holy Unholy... is this the call for
existence
Stimulating the unrelated Woe. Sold as one as
Everything.
