There's not a cloud in the sky
Kids are out flying kites
The radio says it's perfect weather
I don't see things like they do
With my heart broken in two
'Cause you and I can't be together
It's not like I wanna ruin anyone's day
And I don't mean to complain

Chorus:

But I wish it would rain
I wish it would rain
It'll take more than tears to drown this pain
So I wish it would rain

Bluebirds and butterflies
Two lovers walking by
Holding hands and smiling like it's sunshine
I look at him and her
In love the way we were
Wish I could reach out and just hit rewind
To when I saw you with the sun in your hair
To feel like I feel just ain't fair

Chorus:

So I wish it would rain
I wish it would rain
It'll take more than tears to drown this pain
So I wish it would rain

A raging storm or two might be required
To wash away the hurt and kill this fire

2nd Chorus:

I wish it would rain
Oh, I wish it would rain
It'll take more than tears to drown this pain
And wash your memory drain
I've never been one to complain
But I wish it would rain
I wish it would rain
I wish it would rain
