Stumbled out of bed, half in a haze
It's feelin' like a three cup of coffee day
Things I need to do, can't concentrate
But somethin's in my way

Well I've tried and I've tried to get it off my mind
But I can't think of anything else
I feel dazed and confused, I don't know what to do
I've got to keep tellin' myself

It was only a kiss, just a kiss, get over it
What's the matter with you girl, you're actin' like a fool
I can't believe you're carryin' on like this
Yeah, it was only a kiss, oh yeah

Walkin' out the door, ten minutes late
Where in the world did I put my keys?
Gettin' in the car, left my briefcase
What's gotten into me

Well I've tried and I've tried to get him off my mind
But I can't think of anything else
I feel dazed and confused, I don't know what to do
I've got to keep tellin' myself

It was only a kiss, just a kiss, get over it
What's the matter with you girl, you're actin' like a fool
I can't believe you're carryin' on like this
Yeah, it was only a kiss, oh yeah

It didn't mean a thing
So what if it made my heart pound, my head spin
Feels like a dream comin' true
Wonder if he feels it too, oh no, here I go again

It was only, it was only a kiss, just a kiss, get over it
What's the matter with you girl, you're actin' like a fool
I can't believe you're carryin' on like this
Yeah, it was only a kiss

Just a kiss, so get over it
What's the matter with you girl, you're actin' like a fool

I can't believe you're carryin' on like this
Yeah, it was only a kiss

Just a kiss, only a kiss
Just a kiss, it was only a kiss
Just a kiss, only a kiss, only a kiss

Well I've tried and I've tried to get him off my mind
It was only a kiss, what's the matter with you?
I feel dazed and confused, I don't know what to do
I can't believe, it was only a kiss

Only a kiss, only a kiss
Only a kiss, only a kiss
