He's all dressed up, buying flowers for the first time
His pick-ups polished, hmm, shining like a new dime
There ain't no doubt he's got a secret, ain't no way he's
gonna keep it
Listen how the whole town's talking, they are all saying

Jimmy's got a girlfriend
We all know where he's been
Hugging and a kissing
Oh, Jimmy's got a girlfriend

He's all tore up from her lovin' and affection
And a boy's night out, these days is just out of the
question
They say he's out there and they don't get it, that's just
love
And that boy's in it, Cupid's arrow's done been shot, he
didn't duck now

Jimmy's got a girlfriend
We all know where he's been
Hugging and a kissing
Oh, Jimmy's got a girlfriend

The love struck, starry eyed
No ifs or maybes
That boy's gone girl crazy
Girl crazy, crazy

Jimmy's got a girlfriend
We all know where he's been
He's been hugging and a kissing
Oh, Jimmy's got a girlfriend

They say he's out there and they don't get it
Hey that's love, oh sweet love
He's got the girl, he's got the girl
Jimmy's got a girlfriend
