"Little Girl"

When I say I'm five-foot-two
I'm cheatin'
I wouldn't weigh a hundred pounds
All soakin' wet

There's not a lot of me I know
I may be young but even so
I'm tellin' you
You ain't seen nothing yet

I got big dreams
I got grand schemes
Don't tell me life is tough
So what?

Cool beans
Y'all can all stand back
I'm breaking free
'Cause this big ol world ain't ready
For a little girl like me

Tired of people saying
What I can and can't do
Pushing me around
Running my show

My time to shine has finally come
I'm dancing to a different drum
Won't let any old Joe tell me where to go

I got big dreams
I got grand schemes
Don't tell me life is tough
So what?

Cool beans
Y'all can all stand back
And let me breathe
'Cause this big 'ol world ain't ready
For a little girl like me

Can't stop me

From being me
I'm not gonna be
A victim of
Mediocrity

I got big dreams
I got grand schemes
Don't tell me life is tough
So what?

Cool beans
Y'all can all stand back
And let me breathe
'Cause this big 'ol world ain't ready
For a little girl like me

Y'all can all stand back
I'm breaking free
'Cause this big 'ol world ain't ready
I wanna keep on rockin' steady

No, this big 'ol world ain't ready
For a little girl like me
Like me, like me, like me
