### "Not Today"

It's been raining five days straight  
This roof of mine could use a break  
The clouds are bound to blow away  
Someday, someday  
There's just some things you can't control  
Like when it rains or when someone goes  
And broken hearts do mend I know  
Someday, someday  
But not today  
Today is for missing the way you laughed  
Sitting with this stack of old photographs  
While the black and white movie plays  
I'm giving in  
It's a little self indulgent  
But right now that's okay  
I'll get over you someday  
But not today  
I get advice from all my friends  
How to get back on my feet again  
And it will happen I know when  
Someday, someday  
But not today  
Today is for missing the way you laughed  
Sitting with this stack of old photographs  
While the black and white movie plays I'm giving in  
It's a little self indulgent  
But right now that's okay  
I'll get over you someday  
But not today  
Maybe as soon as tomorrow  
This storm will pass  
I don't think 24 hours  
Is a lot to ask  
I'm giving in  
It's a little self indulgent  
But right now that's okay  
I'll get over you someday  
But not today
