Sometimes I cry and I don't know
Guess, I just feel like being blue
Sometimes I lie in the warm sunshine
And look at clouds like children do

Sometimes I laugh, sometimes I pout
I haven't figured myself out
I guess there isn't any doubt

I'm just occasionally crazy
Occasionally crazy
Just occasionally

If I like to kiss in the pouring rain
It doesn't mean that I'm insane
If I crack up at an inside joke
I guess it only goes to show

I can make fun of myself
I don't need anybody's help
Deep down inside I've always felt

I'm just occasionally crazy
Occasionally crazy
Just occasionally

If you can handle me the way I am
Accept my eccentricities and understand
I'm not always all there
And sometimes I drift off somewhere

But we might be the perfect pair
If only you're occasionally crazy

If you can handle me the way I am
Accept my eccentricities and understand
I'm not always all there
And sometimes I drift off somewhere

But we might be the perfect pair
If only you're occasionally crazy
Occasionally crazy

Sometimes I laugh, sometimes I pout
I haven't figured myself out
I guess there isn't any doubt
That I'm occasionally crazy

Occasionally crazy
Just occasionally
