Here we are 'neath the stars  
It's just me and you  
What are we gonna do?  
Where's this gonna lead?

You say it's time to define  
How we feel about it  
I know without a doubt  
It's crystal clear to me

That one of us is in love  
One heart knows it's true  
I would wait forever  
To spend eternity with you

Every night and day  
I'll get on my knees  
And pray if I must  
That more than one of us  
Is in love

Now, you know heart  
And soul is how I need ya  
I just wanna please ya  
Please, don't be afraid

Love isn't played  
Love is made, so remember  
Girl, if you surrender  
And take that leap of faith

One of us is in love  
One heart knows it's true  
I would wait forever  
To spend eternity with you

Every night and day  
I'll get on my knees  
And pray if I must  
That more than one of us  
Is in love

One of us is in love  
One heart knows it's true  
I would wait forever  
To spend eternity with you

Every night and day  
I'll get on my knees  
And pray if I must  
That more than one of us  
Is in love

One of us is in love  
One heart knows it's true  
I would wait forever  
To spend eternity with you

Every night and day  
I'll get on my knees  
And pray if I must  
That more than one of us  
Is in love

I'm hopin' more than  
One of us is in love  
Please, tell me more than  
One of us is in love
