Papa come quick, Jody's gone to the city  
What we gonna do now that Jody's gone  
She left a note on the TV and papa, it's a pity  
What we gonna do now that Jody's gone

Well mama's been cryin' in the kitchen since mornin'  
She cried right through "As The World Turns"  
I seen it myself and papa is a bitchin'  
Let's haul ass before the baby gets burned

CHORUS:

Gas up the old Ford, get out the road map  
They got a head start, about a half a day  
Load up the shotgun, put it in the gun rack  
Jody's with Chico down in East L.A.

Well it must've been a wild-eyed, silver-tongued  
schemer  
A girl like a Jody, don't think for herself  
Him and that Harley and his dang Jalapena  
Smokin' that stuff will make you hurt yourself

Papa come quick  
Papa come quick  
Hey, papa come quick  
Hey, papa come on  
Well mama's been cryin' in the kitchen since mornin'  
She cried right through "As The World Turns"  
I seen it myself and papa is a bitchin'  
Let's haul ass before the baby gets burned

CHORUS:

Gas up the old Ford, get out the road map  
They got a head start, about a half a day  
Load up the shotgun, put it in the gun rack  
Jody's with Chico down in East L.A.

2nd CHORUS:

Gas up the old Ford, get out the road map  
They got a head start, about a half a day  
Stop at the Mobil, pump up the flat wheel  
Jody and Chico and his ding-dang deal

That boy ain't right  
Let's go on down the road
