The Wilkinsons
Under the Rainbow

Got my head up in the clouds
And my feet on Main Street
We got one flashing traffic light,
A Dairy Dip, and a decent Football team
We got a stop sign on each corner
That old factory down the road
I got an 86 Toyota,
Gassed up and waitin' for my chance to go

Somehow, Someway, Somewhere, Someday
I'll find my way down that yellow brick road
Before my dreams disappear somewhere,
Under the rainbow

Last year at county highschool,
Graduated twenty kids
Now five or six are havin' babies
All the rest are working first, or second shift
I don't put myself above em'
I'm no better thats for sure
Part of me will always love em'
But, a bigger part is wantin' so much more

Somehow, Someway, Somewhere, Someday
I'll find my way down that yellow brick road
Before my dreams disappear
Somewhere, Under the rainbow

I wish all I had to do
Was click some ruby shoes

:Small Solo:

Gotta get outta here
Before my dream's disappear
Somewhere under the rainbow
