My name is Kirby, got a problem with it.Yeah I may be 9 years old but I still can rap.Wneh I was little they said I was dumb "If I'm dumb then you're a woman." "No it's,ands,or buts like I said you must be a woman." So then when I got in third grade they said my teacher hits kids "If she touches me I'll punch her in the mouth."

The kirby song.The best song in the world.just can't beat this song.

Scooby-doo claims to be a dog but he's a cat.Homer Simpson married a woman named Marge.I think that she really wants Homer's money."Marge what are you doing with that money.""Um,I'm just going to give the kids there money." So I went to the store and saw some candy I liked,I decided to steal it and eat it for desert.

The kirby song.The best song in the world.You just can't beat this song.

I was selling stuff for a fund rasier at school.For one of my prizes I got a tape player that broke.My mom started to sue but instead I beat the school up.Got a bomb and blew school up to mars.It landed on a alien a all the kids ran out.They all suffocated so the aliens ate them for dinner.Haha that's what you get for messing with me fools
