I need someone to be with me.
I need someone to cherish me.
Having someone that stands by you is a wonderful thing.
I need someone to stand by me,
Like a no one waiting for the money.
Taking care of their loved ones
Is a true sign of dignity.

That's why I need you right now,
So I can feel oh so complete.
No one, and no one feels the same way that I do.

Whoever feels me raise their hands
& let me know that you understand.
Fellas I know I'm not the only one
Who has felt this way that I do.
About this 1 girl
She amazing,
Like butterflyz on a sunny day.
My love for you is unconditional.
I can't explain,
I can't explain.

That's why I need you right now,
So I can feel oh so complete.
No one, and no one feels the same way that I do.

Finding someone is hard.
But please don't stress yourself.
Because if you lay off
Your one true will come true.
You always light up my day.
When candles are dry,
You come with fire.
I can't phase it anymore.
I can't explain,
I can't explain.

That's why I need you right now,
So I can feel oh so complete.

No one, and no one feels the same way that I do.
