Wolves in sheep clothing and various disguises/

Betrayal of trusts yo, it cuts and it slices/"She spilling her guts why she looking so lifeless /

She gotta be nuts making all those sacrifices/"She gambling she rolling them dices /

not understanding what the worth of her life is/"

What are you afraid? /

" yeah he is paralyze by fear/ "false evidence

appearing real I see it so clear/"It is a battle of the

mind yeah modern warfare /"Every time he goes

forward yo he is stuck right here/" every day he

wakes up it's a new nightmare/"and now he is

wondering did I choose the right career/"Is life worth

living if the pain won't disappear/"No is life worth

living if you can't surpass the fear/

What are you afraid of?

( Is it fear, is it trust? is it love, is it lust?)

( Is it your future or your past, )

What are you afraid of?

(Is it failure or success Is it pain is stress ? lets go)

## Verse 2

What are you afraid of? Dark days and yo lonely  
nights/Wondering what the Hell will I do with my  
life/Could u see me with some kids and u as my  
wife/Could we ever be that perfect  
prototype/Everything I ever wanted I had to put up a  
fight/But I can't anymore cause things ain't feeling  
right/I feel like a hater, a traitor a failure/I am  
afraid that I won't see the light/What are u afraid  
of?/Yeah The monster in the lake /And the  
fading of my faith/Was your realness ever fake  
/Was loving you my greatest biggest  
mistake/Will I be on time or forever be to late/My  
goals, my dreams how long will I wait/Black holes it  
seems there is no escape/It's driving me crazy can I  
just press the brakes/Can I take the weight of these  
decisions that I make./
