I know something's on your mind  
It's been there for the longest time.  
Your silence speaks the words that you won't  
Even though you should let it go, you don't  
Your livin' for a memory  
But it was never meant to be so

(Chorus)

Don't go chasin' the ghosts of yesterday  
Shut those doors and keep them locked away  
Cause baby everything that's done is done  
And it's a new day's dawn.

Guilty she's the one I blame  
The spell has kept your heart in chains  
I watch you struggle to break free  
I know, you wanna give your love to me  
We could have it all, if you tried  
Just tell her goodbye...

(Chorus)

Don't go chasin' the ghost of yestrday  
Shut those doors and keep them locked away  
Cause baby everything that's done is done  
And it's a new day's dawn

Touch me there and you'll see  
I'm fresher than reality  
Hold me close and I won't fade away

(Chorus)

Don't go chasin' the ghost of yesterday  
Shut those doors and keep them locked away  
Cause baby everything that's done is done  
And it's a new day.

(Chorus)

Don't go chasin the ghost of yesterday  
Shut those doors and keep them locked away  
Cause baby everything that's done is done  
And it's a new day's dawn  
And it's a new day's dawn

And it's a new day's dawn  
Yeah, it's a new day's dawn  
And it's a new day's dawn
