What would you do  
If I told you  
To run from him?  
What would you say  
If I told you to  
Abandon him?  
I know you drink,  
You've had a lot to drink,  
Do you have to talk like that?  
If you go to parties  
And cut your hair  
People grab their hats.  
Ah, but I know with a heart like that  
In times like these with a heart like  
That you cut it out.

What would you do  
If I told you  
To pack your bags?  
What would you say  
If I told you  
To take off those rags?  
I know you're down,  
I know you're blue,  
You broke his spell.  
If you want life  
You take that life  
And you live it well.  
Ah, but I know with a heart like that  
In times like these with a heart like  
That you cut it out.

Have you lost your marbles?  
You're not that crazy yet.  
Listen to me, don't you forget.  
What would you say  
If I told you  
You had to run from him?  
Ah, but I know with a heart like that  
In times like these with a heart like  
That you cut it out.
