"He lives my life"

He's got a four wheel drive that he takes to Double
Island Point

He's got a relationship with a woman that he met in an
Irish joint

I know the land

And the coloured sand

Everything's fresh at the source in this land

Everything's fresh at the source in this land

And I wish him luck

I hope he get's it right

As he lives my live

He's got a house all to himself that overlooks a park

He's got a piano all to himself that he plays after dark

I know the sound

As the sun goes down

Everything's fresh at the source as the sun goes down

Everything's fresh at the source as the sun goes down

And I wish him luck

I hope he get's it right

As he lives my life

And if you see him

Tell him I'll be him

As I live his life
