I hear you skating on the ice  
And wonder why you left me twice  
The eerie sound of blade on lake  
Cracks my skin and I fill with ache  
But I don't want this heart  
I don't need this blood  
I see you running through the grass  
A doctors daughter, a sky of glass  
My swollen eye at sunday school  
No saviour here under God's bright rule  
But I don't want this heart  
I don't need this blood  
Time to be leaving, run from your reach  
Gonna go dreaming on Orpheus Beach  
I feel you breathing in my head  
But better there if not in bed  
I wash your perfume from my clothes  
I don't believe that affection goes  
But I don't want this heart  
I don't need this blood  
Time to be leaving, run from your reach
