I've got tickets

To the best show in town

If you want to come on down and listen

I'm ready

And I might come along

With something that you've been missing

I've got no money

I've got nothing at all

But I'll keep you guessing

And I'm bound

To hit the wall

And I'll be running

I'm no trouble

I'm nothing like the trouble

That I used to be when I was somebody's double

Do you have any whisky?

I don't like to drink

But I like to know that's it's along there with me

There's nothing I've seen

That's ever really

Flattened me

And there's something
In the corner of your eye
That gets me
Yes there's something
But I know
You'll keep me guessing
So what do you say
Tell me what you're thinking of
Tell me what you're thinking of this minute
You're a spirit
You're one thing greater
Than all the things that you are together
You're one thing greater
Than all the things
You are together
