If I should die this very moment
I wouldn't fear.
For I've never known completeness
Like being here.
Wrapped in the warmth of you
Loving every breath of you
Still my heart this moment
Or it might burst

Chorus:

Could we stay right here til the end of time
'Til the earth stops turning
Wanna love you
'Til the seas run dry.
I've found the one I've waited for, The One

All this time I've loved you
and never known your face.
All this time I've missed you
and searched this human race.
Here is true peace, here my heart knows calm.
Safe in your soul, bathed in your sighs

Chorus:

Wanna stay right here til the end of time
'Til the earth stops turning.
Gonna love you
'Til the seas run dry
I've found the one I've waited for
The one I've waited for

All I've known, all I've done
all I've felt was leading to this.
All I've known, all I've done,
all I've felt was leading to this

Chorus:

Wanna stay right here til the end of time
'Til the earth stops turning
Gonna love you
'Til the seas run dry

I've found the one, I've waited for, The One
