Tell me  
Some-dayâ€™s  
Do you wish you could walk away  
Baby do you dream of a different life  
Well I know,  
It gets hard,  
But weâ€™ve built so much, come so far  
Do you have regrets sometimes  
They said the odds of making it werenâ€™t good  
Honey here I am asking if you would

Will you marry me again,  
Do it all over  
Weâ€™ll call a few close friends,  
Find some little white church  
Will you say i do again,  
If you still believe in us  
Together till the end,  
Will you marry me,  
Will you marry me again

White dress,  
Black tie,  
Weâ€™ll watch our mamas crying  
Walking down the aisle as you take my hand  
Same vows,  
Same ring,  
I wouldnâ€™t change a thing  
Lets dance the same song we did back then  
I look into your eyes down on one knee  
Honey here I am asking you please

Marry me again,  
Lets do it all over  
Weâ€™ll call a few close friends,  
And find some little white church  
Will you say I do again,  
Do you still believe in us  
Together til the end,  
Will you marry me,  
Will you marry me again

I will marry you again,  
And do it all over,  
Weâ€™ll call a few close friends  
And find some little white church,  
I will say I do again,  
Cause I still believe in us  
Together until the end  
I will marry you,  
I will marry you  
Again
