Make it bang dun tight the noose  
We can hang one  
Thought he was my dog  
Now we got to cut off love  
Ain't it bad news  
When a nigga AWOL crew  
You don't like us fuck it then we hate ya'll too  
Handle business  
What up that coke you flew  
MOBB is who you be losing to  
Gats tossed like jewels get flossed  
Get an ass beat from a real nigga you crossed  
QBC representative  
Sip the E & J sedative  
3rd time felon predicate  
Put my money on  
Can't lose stompin on  
Shorty dime piece front I'm going all out  
Probably catch me on the street ODin on stout  
On my way to cop gats on discount  
In the Navigator half sleep with beer on my breath  
If a nigga front play him to the left  
When it come to gettin dough or letting guns blow out a  
4  
When you got the blue steel to your back pimp your  
stack or lay flat  
What it is Bronx and Queensbridge that's real  
What it is Bronx and Queensbridge  
  
What you thinking this is  
We play for keeps in this biz  
Yall copycats trying to do what we did  
Money we gettin it  
3 ways we splittin it  
Mamis I'm rippin it  
Suck it while I'm whippin this  
2000 fly shit through the Bronx  
Rotten apple take a bite of this  
We survivalists  
Born into violence  
When niggas hear me rhyme they be actin wildest

Y'all deserve this  
On this my flow flawless  
If you in your crib then record this  
Change up chicks every 2 weeks  
When I get bored with rhyme awkward  
But still the boss in this like godfather  
Went from 5 dollars rockin agua pisada  
Hardcore like piragua  
Load the clip in  
Rappers act like they're flippin  
Find me on the Brooklyn dippin
