You girl I'm super bad  
And I don't know what to do, what to do!  
Your body is calling and you got me fainting too!  
I'm like a drug, and you know you can't get enough,  
Your eyes, your hips, your lips gonna have me fall, girl

Chorus:

No, Baby I don't mean to break your little heart,  
But I'm a put a burden on you,  
You won't get enough of me, scream,  
Don't know my name, let's make,  
Girl, I must be, cause you know I'm super bad!  
Wanna get rough at playing, cause you know I'm super bad!  
Gonna be a lot of pushing and shoving  
Cause you know I'm super bad!  
Can I get a little make loving,  
Cause you know I'm super bad!

, have you been here before?  
The way your body is moving, I'm wanting this so more!  
When I see you put me in the trans,  
Baby back a little bit more,  
Cause girl you're killing that!

Chorus:

No, Baby I don't mean to break your little heart,  
But I'm a put a burden on you,  
You won't get enough of me, scream,  
Don't know my name, let's make,  
Girl, I must be, cause you know I'm super bad!  
Wanna get rough at playing, cause you know I'm super bad!  
Gonna be a lot of pushing and shoving  
Cause you know I'm super bad!  
Can I get a little make loving,  
Cause you know I'm super bad!
