No we came too far  
I wanna get the blow is just  
Is hard to love and we don't trust each other  
I know .. i swear catch when you fall  
And i didn't mean to say the things to say when you call

Chorus:

girl you know you're my superstar  
And i really wanna be where you are  
And nobody else put it down like me  
Can't nobody else do it ..  
Thought you know you're my superstar  
And i really wanna know where you are  
And nobody else put it down like me  
If you wanna be that ..

Don't wanna let you go  
I don't want to  
'cause i need you  
I don't wanna let you go  
I don't want to girl i need you  
Gotta have you, girl you're my superstar yeah  
Can we start over 'cause baby i know best of  
I got to learn to let it go when you love  
Remember when we first met  
Do it ever again i would leave you ..

[Chorus:]

Baby you're my superstar  
Girl you know you're my superstar

[Chorus:]

Don't wanna let you go  
I don't want to  
'cause i need you  
I don't wanna let you go  
I don't want to girl i need you  
Gotta have you, girl you're my superstar yeah yeah
