Allen - Cox - Gray - Steiner  
Remove your head from that crevasse  
Rational thought slips out the back door  
A concrete headache is my present  
That swine thing be thine  
Only turnmoil exists  
Shaded, camouflaged  
Remove your head from that crevasse  
An overfed vulture.  
Self preservation  
A social comment a social comment  
I missed the applause  
Michael Allen: Voice, Drums  
Mark Cox: Organ, Synthesizer, Noise  
Andrew Gray: Drums  
David Steiner: Drums Lead
