Backfield in motion
yeah
I'm gonna have to penalize you
you

backfield in motion
baby
you know it that's against the rule.
Offside and holding
yeah
you ought to be ashamed of yourself
baby

offside and holding
yeah
holding on to someone else.

You know you're cheating
baby
faking about

you know you're walking
baby
oh yeah
strike three you're out.
And I caught you with your -

Backfield in motion
yeah
I'm gonna have to penalize you
you

backfield in motion
baby
you know it that's against the rule.

First down - you started cheating on me

second down - well
I was too blind to see

third down - you know I love you so

fourth down

baby - I've got to let you go

'cause I caught you with your -

Backfield in motion

yeah

I'm gonna have to penalize you

you

backfield in motion

baby

you know it that's against the rule.

Now you will see

oh yeah

just how I felt

you better believe it

baby

you beat me to the punch

uh honey

but you hit me below the belt.

And I caught you with your -

Backfield in motion

yeah

I'm gonna have to penalize you

you

backfield in motion

baby

you know it that's against the rule.

And I caught you with your -

Backfield in motion

yeah

I'm gonna have to penalize you

you

backfield in motion

baby

you know it that's against the rule.

Backfield in motion - offside and holding

Backfield in motion - double dribbling

baby

Backfield in motion - ooh
clipping
honey

Backfield in motion - backfield in motion.
