All alone I wait for you,  
As darkness fills this room,  
I don't know why you ain't called.  
Little things you used to do,  
They're no longer part of you,  
Seems you left them all behind.  
Well, I can't believe what I'm going through,  
This thing, it just ain't right.  
Your selfish ways,  
How you carry on,  
Some things you just can't hide.

(If you want me to go)  
Then say it,  
(Want me to stay)  
Then show it,  
(Don't be afraid, ooh)  
Oh don't break this heart of mine,  
Now's the time if I'm right,  
Then we've come to the end of the line.

So say it  
(Want me to stay)  
Then show it  
(Don't be afraid)  
Oh, don't break this heart of mine  
Now's the time, if I'm right  
Then we've come to the end of the line  
Ohh, oh yeah.

Seems like I can't do you right,  
All I do or say is wrong,  
All the smallest things criticised.  
I deserve some damn respect,  
Nothing more and nothing less,  
Don't pretend everything's fine.  
(Ooh) Don't hold it back,  
If it's in your heart,  
Stand up and be a man,  
(Ooh) Can't read your mind,  
So I'll just say it loud,

I'm trying to understand.

(If you want me to go)  
Then say it,  
(Want me to stay)  
Then show it,  
(Don't be afraid, ooh)  
Oh don't break this heart of mine,  
Now's the time if I'm right,  
Then we've come to the end of the line.

So say it  
(Want me to stay)  
Then show it  
(Don't be afraid)  
Oh, don't break this heart of mine  
Now's the time, if I'm right  
Then we've come to the end of the line.

Even though you've doing me wrong  
I still care,  
Do you think that by treating me cruel  
That somehow I'll disappear?  
(Ooh) Baby I love you too much just to walk away.  
(Ooh) Don't make me hate you,  
Baby you've got to be straight (aah).

(If you want me to go)  
Then say it  
(Want me to stay)  
Don't be afraid, baby, show it  
(Don't be afraid)  
Don't be afraid, oh, don't break this heart of mine  
Now's the time, if I'm right  
Then we've come to the end of the line  
Ooh  
(Want me to stay)  
Oh baby, show it  
(Don't be afraid)  
Don't be afraid, oh, don't break this heart of mine  
Now's the time, if I'm right  
Then we've come to the end of the line  
(Come to the end of the line)  
Ooh  
We've come to the end of the line  
(Come to the end of the line)  
Oh, baby  
We've come to the end of the line  
(Come to the end of the line)  
We've come to the end of the line  
(Come to the end of the line)

(Come to the end of the line)  
Ohh, ahh  
(Come to the end of the line)  
Oh, the end of the line  
(Come to the end of the line)
