(Ring ring)
Hey this is a message for the Honeyz
Barry here
There's gonna be some sexy things on the album
You know what I'm saying?
So you tell me later just give me a call
Okay peace. I'm out
Bye baby

Each day I pray
For love to come my way
And I'm still here looking
But not knowing where to find you
So I ask myself
Besoin d'aimÃƒf?e
Besoin d'Ãƒf?tÃƒf? aimÃƒf?e

I've been waiting for so very long
To find someone that I could call my own
But I know that one day
I'll find the perfect love
The kind of love that every girl prays for
Sometimes I feel like I'm all alone
(But I'm strong)
So I keep holding on
'Til I find a love of my life

(I need somebody to love me)
Someone to love me
(To love me)
For the rest of my life
(Sometimes when days get so lonely)
I need someone to hold me
(To love me)
Who'll make it all right

Some people wonder how a girl like me
Could even know the meaning of love
(Meaning of love)
I may be young, but I've been around
And yes, I know

That I've had my ups and my downs.
I need someone
Who will stay with me
Till the end
So please tell me when
Will I find that special friend?

(I need somebody to love me)
Someone to love me
(To love me)
For the rest of my life
(Sometimes when days get so lonely)
I need someone to hold me
(To love me)
Who'll make it all right

Every Juliet needs a Ro-Romeo
(Romeo)
Someone who'll be there and never let go
(Never let go)
He may be near or he may be far
I don't know
Until he's here
I wish on a star
(Star)
Oh oh oh...

(I need somebody to love me)
Someone to love me
(To love me)
For the rest of my life
Sometimes when days get so lonely
I need someone to hold me
(To love me)
Who'll make it all right

(Somebody to love me)
(Somebody to need me)
I need someone to love me
(To love me for the rest of my life)
For the rest of my life
(Sometimes when days get so lonely)
Sometimes when days get so lonely
(To love me for the rest of my life)

I need someone to love me
(I need somebody to love me)
I need someone to love me
(To love me for the rest of my life)
Ooh, for the rest of my life
(Sometimes when days get so lonely)

Sometimes when days get so lonely
(To love me)
(Who'll make it all right)
Who'll make it all right

(Somebody to love me)
(Somebody to need me)
I need somebody to need me
(Somebody to love me, to love me)
(Who'll make it all right)
Who'll make it all right
(Somebody to love me)
(Somebody to need me)

(I need somebody to love me)
I need someone to love me
(To love me)
(Who'll make it all right)
(I need somebody to love me)
