I know I always said we'd just be friends
But this temptation just won't end
Coz everytime I see your face boy
I'm needin' you, I'm needin' you

I'm thinking about the things you do to me
Makes me weak to my knees
Now your lying next to me boy
I'm feelin' you, I'm feelin' you

Boy you don't know what you do to me
I need your lovin', can't you see?
The situations buggin' me
Stop these games or I'll go crazy

It's the way that you make me feel
You make me feel so right (so right)
It's the way that you make me feel
You make me feel so good inside (you make me feel
right)
It's the way that you make me feel
You make me feel so right (make me feel so good)
It's the way that you make me feel (ouuh ouuh)
You make me feel so good inside
You make me wanna right (wanna right, wanna right)
You make me wanna right (wanna right, wanna right)
You make me wanna right

Baby go pick up the phone
Tell your girl you won't be home
Coz she don't love you like I do boy
I'm lovin' you, I'm lovin' you

Touch me baby now don't hesitate
You know my body just can't wait
Baby it's now or never
Don't be a fool, don't be a fool

Boy you don't know what you do to me
I need your lovin', can't you see?
The situations buggin' me

Stop these games or I'll go crazy
It's the way that you make me feel
You make me feel so right (so right)
It's the way that you make me feel
You make me feel so good inside (you make me feel
right)
It's the way that you make me feel
You make me feel so right (so good)
It's the way that you make me feel (oouuh ouuh)
You make me feel so good inside
You make me wanna right (wanna right, wanna right)
You make me wanna right (wanna right, wanna right)
You make me wanna right

[spoken]

Let's lay back and enjoy the ride
Don't feel bad, baby swallow my pride
Coz you know you make me feel so good
Coz you know you make me feel so good inside
I wann-ah, I wann-ah (get down tonight)
I wann-ah, I wann-ah (get down tonight)
(oouuh ouh)

It's the way that you make me feel
You make me feel so right (so good inside)
It's the way that you make me feel (oouuh)
You make me feel so good inside (you make me feel
right)
It's the way that you make me feel
You make me feel so right (make me feel so right)
It's the way that you make me feel
You make me feel so good inside
You make me wanna right
You make me wanna right
You make me wanna right

It's the way that you make me feel
It's the way that you make me feel
You make me feel right

It's the way that you make me feel
You make me feel so right (so right)
It's the way that you make me feel (oouuh)
You make me feel so good inside
You make me wanna right
You make me wanna right (make me feel so good)
You make me wanna right
