If you see me walking down the street
Staring at the sky
And dragging my two feet
You just pass me by
It still makes me cry
You can make me whole again
And if you see me with another man
Laughing and I'm joking
To do what I can
I won't to put you down
Cause I want you around
You can make me whole again
Looking back on when we first met
I can not escape and I can not forget
Baby you're the one you still turn me on
You can make me whole again
Time is layin heavy on my heart
It seems I've got to much of it
Since we've been apart
My friends make me smile
If only for a while

You can make me whole again
Looking back on when we first met
I can not escape and I can not forget
Baby you're the one you still turn me on
You can make me whole again
For now i'll have to wait
But baby if you change your mind
Dont be too late
Cause I just cant go on
It's already been too long
But you can make me whole again
Looking back on when we first met
I can not escape and I can not forget
Baby you're the one
You still turn me on
You can make me whole again
Looking back on when we first met
I can not escape and I can not forget
Baby you're the one
You still turn me on
You can make me whole again
Baby you're the one
You still turn me on
You can make me whole again
