Lately in my life I'm

Finding it harder to

Settle the feelings that I

Thought would always be

Playing the game was easy

Saying the things that please me

But through it all

I can see the love has slipped away

Bye now, take this love away from me

Bye now, set my soul and spirit free

Bye now, take this love away from me

Bye now, let me be what I can be

Go make it easy on yourself

Lately in my life I'm

Finding I struggle if I

picture myself no longer

Underneath your spell

Bye now, take this love away from me

Bye now, set my soul and spirit free

Bye now, take this love away from me

Bye now, let me be what I can be

Go and just leave me
Go make it easy on yourself
I cant stand to see you
Couldnt bare to feel you
Its tearing my heart
Its only to
Bye now, take this love away from me
Bye now, set my soul and spirit free
Bye now, take this love away from me
Bye now, let me be what I can be
Bye now, take this away from me
Bye now, can't you see what i can see
Bye now, that with you I'll never be
Bye now, so take your love away from me
Go and just leave me
Go make it easy on yourself
