Call my name

Call my name (call my name)

Call my name (call my name)

Close your eyes

Give me your hand, darling

Do you feel my heart beating

Do you understand

Do you feel the same

Or am i only dreaming

Is this burning, an eternal flame

I believe

It's meant to be, darling

I watch you when you are sleeping

You belong with me

Do you feel the same

Or am i only dreaming

Is this burning, an eternal flame

Say my name, sun shines through the rain

Of all life so lonely

Then come and ease the pain

I don't want to lose this feeling, oooh

Oh oh

Call my name

Call my name (call my name)

Call my name (call my name)

Say my name, sun shines through the rain

Of all life so lonely

Now come and ease the pain

I don't want to lose this feeling, oooh

Close your eyes

Give me your hand, darling

Do you feel my heart beating

Do you understand

Do you feel the same

Am i only dreaming

Or is this burning, an eternal flame

Close your eyes

Give me your hand, darling (oh yeah yeah)

Do you feel my heart beating

Do you understand (do you understand)

Do you feel the same

Or am I only dreaming (dreaming)

Or is this burning, an eternal flame

Close your eyes

Give me your hand, darling (give me your hand)

Do you feel my heart beating

Do you understand (give me your hand)

Do you feel the same

Or am I only dreaming
