If You gotta learn to do that thing

Stand back cause it's obvious

And if you wanna see us dance and sing

Step off get on back of us

(Chorus)

Oh baby let your back don't slip

Let it slide right down

Put it on your hip

oh baby let your back don't slip

Let it slide right down

get it on that tip

Get real (uh huh you know you gotta)

Make it real (uh huh You know)

mmmmmmm

Oh

And if you really wanna change the world

Step off cause you know you can

If you wanna know the difference between a boy and a girl

Step talk take it like a man

(chorus)

Get real (uh huh you know you gotta)

Make it real (uh huh You know)

mmmmmmm

You make it real oh

If you gotta learn to do that thing

Stand back cause it's obvious

And if you wanna see us dance and sing

Step off get on back of us

mmmmmm yeah

You can talk the talk

But can you walk the walk.....

(chorus X2)

Get real (uh huh you know you gotta)

Make it real (uh huh You know)

(chorus to fade
