If you like to see me

Coz you want to thats OK

Coz i can make ya feel

Youre gonna need to everyday

Youre the one i need most

Shout it out from coast to coast

I will never be the same

Again and again and again

You just turn me on, on and on and on

You just turn me on, on and on and on

On and on.

Bet you think that i just

Couldn't wait to be with you

Must 'a' been our destiny

That you would want me to

Youre the one who's right for me

I'm the only one you need

Baby when you call my name

Again and again and again

You just turn me on, on and on and on

You just turn me on, on and on and on

On and on.

On and on, turn me on

On and on, turn me on (repeat twice)

You just turn me on, on and on and on

You just turn me on, on and on and on

Repeat to fade
