Maybe you think you're not right for me
that you'll never be everything i need
well i'll tell you straight from my heart
you are you are
if you don't think that you've got the pedigree
that you're not someone who can talk to me
well i'll tell you straight from my heart
you are you are
You are you are my reason
You are the air i'm breathing
Ask who's in my heart, you are you are
If ever i wanted to run away
I'd go only if you would come with me (far way)
'cause no one can talk to my heart like you are, you are
Oh if i do for you what you do for me
If i'm on your mind everytime you sleep (in your
dreams)
Say the words and no matter how far
I'll be where you are
You are you are my reason (my reason)
You are the air i'm breathing (that i'm breathing)

Ask who's in my heart, you are you are

Ooh i wish you'd ask me how i feel

I'd say that I'm infatic

Ooh and when you're near to me

this urgency is automatic

ooh you're my addiction boy

and i don't want to break the habit

I'd say that you're in my heart

You're in my heart

You are you are my reason

You are the air i'm breathing

Ask who's in my heart, you are you are

Those are the things that are right with me,

Dreaming of being, everything I need

We'll I'll tell you straight from my heart,

You are, you are

You got the part of breathing

Dream of someone that could talk to me

We'll I'll tell you straight from my heart,

You are, you are

Those are the things that are right with me,

Dreaming of being, everything I need

We'll I'll tell you straight from my heart,

You are, you are (fading)
