You, doin' that thing you do  
Breaking my heart into a million pieces  
Like you always do

And you, don't mean to be cruel  
You never even knew about the heartache  
I've been going through

Well, I try and try to forget you, girl  
But it's just so hard to do  
Every time you do that thing you do

I know all the games you play  
And I'm gonna find a way to let you know  
That you'll be mine someday

'Cause we could be happy, can't you see?  
If you'd only let me be the one to hold you  
And keep you here with me

'Cause I try and try to forget you, girl  
But it's just so hard to do  
Every time you do that thing you do

I don't ask a lot, girl  
But I know one thing's for sure  
It's the love I haven't got, girl  
And I just can't take it anymore

'Cause we could be happy, can't you see?  
If you'd only let me be the one to hold you  
And keep you here with me

'Cause it hurts me so just to see you go  
Around with someone new  
And if I know you, you're doin' that thing  
Every day just doin' that thing  
I can't take you doing that thing you do
