light this fire, and never look back, ashes to ashes,
dust to dust, no remorse, no regret, for that precious
guilty face, the one that did the damage, you're right in
my palm, lettign go and, burning this all, set it free
entirely, reach out and this dog, will strike you down,
say it now while, it doesn't hurt, say it now while, the
blood is warm, open up and, swallow every word, three
graves, three threats, three ways to comfort this,
momentos for your sins, forgiveness denied again,
dull the light to ease my eyes, can't bear to look, them
anymore, no, fuck you, i am fed up, i am...
