Blow me a kiss from across the room  
Say I look nice when I'm not  
Touch my hair as you pass my chair-air  
Little things mean a lo-ot

Give me your arm as we cross the street  
Call me at six on the dot  
A line a day when you're far away-ay  
Little things mean a lo-ot

Don't have to buy me diamonds and pear-earls  
Champagne, sables or-or such  
I never cared much for diamonds and pearls  
'Cause honestly honey, they just cost money

Give me your hand when I've lost the way  
Give me your shoulder to cry on  
Whether the day is bri-ight or grey-ey  
Give me your heart to rely on

Send me the warmth of a secret smile  
To show me you haven't forgot  
For always and ever, now and forever  
Little things mean a lot

Give me your hand when I've lost the way  
Give me your shoulder to cry on  
Whether the day is bri-ight or grey-ey  
Give me your heart to rely on

Send me the warmth of a secret smile  
To show me you haven't forgot  
That always and ever, now and forever  
Little things - mean - a - lot...
