Take a look around and what do you see?
I see things as they are, no flowery meadow for me
A picturesque town in a picturesque world, no
I couldn't survive for a day
Because the flaws that I see make for a better me

And then it all comes crashing,
it all comes crashing down
(it all comes crashing down)
I'm overwhelmed, oh I'm overwhelmed
So suddenly (so suddenly)
And then it all comes crashing,
it all comes crashing down
(it all comes, it all comes)
And then it all comes crashing,
All comes crashing down

Friends are leaving, they say I'm deceiving
Exiting stage right, maybe they are right
The imperfect life I was living doesn't seem so perfect
anymore
The tears that I haven't cried well up on the inside
And I remember how it used to be

And then it all comes crashing,
it all comes crashing down
(it all comes crashing down)
I'm overwhelmed, oh I'm overwhelmed
So suddenly (so suddenly)
And then it all comes crashing,
it all comes crashing down
(it all comes, it all comes)
And then it all comes crashing,
All comes crashing down

I've taken the hit but I'm still going strong
There are times in your life when you've just gotta learn
to hold on

Like when it all comes crashing,
it all comes crashing down
(it all comes crashing down)

I'm overwhelmed,
oh I'm overwhelmed,
so suddenly (so suddenly)

And then it all comes crashing,
it all comes crashing down
(it all comes crashing down)
I'm overwhelmed, oh I'm overwhelmed
So suddenly (so suddenly)
And then it all comes crashing,
it all comes crashing down
(it all comes, it all comes)
And then it all comes crashing,
All comes crashing down
