Quiet now, endure the tremor of a hope that's growing  
deep inside  
Hand to mouth, a secret whispers of a dream to roll our  
tired skies  
With a full heart and opening eyes  
I see the headlights turn into sunrise  
We'll build them real long and heal the deep hurt  
And we will step home to greet the new world

Whoa Ohhh ohh  
Whoa Ohhh ohh  
Whoa Ohhhhhh ohh  
Whoa-ohh-ohhh

[whistling]

Hey hey  
Hey hey

Step in time, move to the rhythm of a heart that beats  
for real life  
Mountain dams endure the footsteps of a world that  
broke the darkest night  
Here with a full heart and opening eyes  
I see the headlights turn into sunrise  
We'll build them real long to heal the deep hurt  
And we will step home to greet the brand new earth

Whoa Ohhh ohh  
Whoa Ohhh ohh  
Whoa Ohhhhhh ohh  
Whoa-ohh-ohhh

[whistling]

Hey hey  
Hey hey  
Hey hey  
Hey hey  
Hey hey
