Crazy by Jasper Erkens

I remember when, I remember,
I remember when I lost my mind
There was something so pleasant about that place.
Even your emotions had an echo
In so much space

And when you're out there
Without care,
Yeah, I was out of touch
But it wasn't because I didn't know enough
I just knew too much

Does that make me crazy
Does that make me crazy
Does that make me crazy
Possibly

And I hope that you are having the time of your life
But think twice, that's my only advice

Come on now, who do you, who do you, who do you,
Who do you think you are,
Ha ha ha bless your soul
You really think you're in control

Well, I think you're crazy
I think you're crazy
I think you're crazy
Just like me

My heroes had the heart
To lose their lives out on a limb
And all I remember is thinking,
I want to be like them
Ever since I was little,
Ever since I was little it looked like fun
And it's no coincidence I've come
And I can die when I'm done

Maybe I'm crazy

Maybe you're crazy
Maybe we're crazy
Probably
