More than a sigh by Jasper Erkens

I don't know who I am
or what I have to say
I always carry on
when my mind stay away
flying true the sky
with clouds fool of rain
I never sought it coming
or take away this pain
today

I don't know who I am
or what i have to do
Just try the things strong
like you understood
Wonder why it's all so bright in me
thinking back in time
so far is I could see

Let's sing a song
about a boy that carry on
Just don't know why
Life is more than a sigh

So many times so dreamless so uncharged
staring out my window
searching for more
Losing fears so many times
feelings made of currish
so up for a right

I knew a song
It goes how long as this go on
Lets sing it twice
waiting such a long long time

Let's sing a song
about a boy that carry on
Just don't know why
Life is more than just a sigh
