Waiting Like A Dog by Jasper Erkens

I've been waiting like a dog now
and I've been waiting to get back on my feet
I've been waiting like a dog now
waiting on the ground to get a tree

I've been waiting for hours
thinking back to times that call my name
I've been waiting like a dog now
despising the one that I became

I've been waiting like a dog now
weeks will turn into months and months turn into years
every colour is the same now
there's no black no white there's only grey

I've been waiting for hours
still there's nothing changed
I've been waiting like a dog now
gazing at the backdoor once again

and I don't want to wait untill I die
and I know I know I know I know
I know I know I know I know
it takes time
don't leave me behind
and I've been to places and seen many faces
but nothing that could ease my mind
don't leave me behind

I've been waiting like a dog now
I've been waiting like a dog now
I've been waiting like a dog now
I've been waiting like a dog now

and I know I know I know I know
I know I know I know I know
it takes time
don't leave me behind
and I've been to places and seen many faces
but nothing that could ease my mind

don't leave me behind

don't leave me behind
but ease my mind
don't leave me behind
but ease my mind
don't leave me behind
but ease my mind

I've been waiting like a dog now
