When would you tell by Jasper Erkens
I'm sober, left without a clue
What you're going to do
I thought you would tell me

Hang over, I'm so damn
worried about you
Where is this leading to
And when would you tell me

Oh honey...
It's funny...
When would you tell me...

You're older, so I thought
you were smarter than this
Excuses are dismissed
No more lies

Oh honey...
It's funny...
When would you tell me...

Sophisticated...
So damn related
Colours faded...
no more reason to smile
I'm stuck for a while...
avoiding my so-called smile

Oh honey...
It's funny...
When would you tell me ...
