We're coming back-back-back-back...

Fuck-fuck-fuck-fucking crazy

Adrenaline junkie, addicted to violence
Carving up a guy like that while he screams in his own
blood and excrement
Would be like, like a gift
A warrior's death

We're coming back-back-back-back...
Yeah, sing it in!

It's fucking crazy

We're coming back-back-back-back...
Yeah, sing it in!

Adrenaline junkie, addicted to violence
Carving up a guy like that while he screams in his own
blood and excrement
We're coming back-back-back-back...
Yeah, sing it in!

Fuck-fuck-fuck-fucking crazy (3X)
