i plan to outlive my enemies,
so i'll stick around till that's done.
Why don't you come and take a walk with me,
I'll tell you something.
You would have liked some friends of mine,
they made accidents happen,
they'd dig a body from the ground
give you the shirt off its back if you didn't have one
they were the bridgewater astral league
ooooh weeeee oooooooooohhhh
bridgewater astral league
ooooh weeee oooooooooohhhh

i will admit they sometimes scared me
but they were so much god damn fun,
they'd break into your house
just to move things around and
sometimes they'd leave you something.
but it wasn't what they did while in their bodies
which made me so uncomfortable,
it was the way they'd meet
while they were all asleep
and you never knew where they wereÃƒÂ¢â€šâ„¢"ÃƒÂ¢â€šâ„¢"
they were the bridgewater astral league
ooooh weeeee oooooooooohhhh
bridgewater astral league
ooooh weeee oooooooooohhhh

are you a little pale my friend?
what are you giggling about?
are you leaving so soon?
its a beautiful night out.
like most kids we robbed from cars,
snuck into bars,
lived music and hung out.
but i tell you, the kids today,
i never see them over the cloudsÃƒÂ¢â€šâ„¢"ÃƒÂ¢â€šâ„¢"

not like the bridgewater astral league
