It's over, boys  
And I think I might die  
And if I do it'll be ok  
It'll be alright

I know it ain't been long  
But I seen more  
Than I need to decide

Things are going to change  
And I'm not  
Remember me not  
To the other side

Oh, it's been fun  
It's been a real good ride  
But the future is gonna be extreme  
And I'm not, so goodbye

No, you've been all fine  
How I loved to fly

It's a cruel fucking world  
And I'm not  
Remember me not  
To the other side
