Like the front of my grill

Nuthin false fake niggas getting tossed like sam

Who fronted me with a couple of grams of that smack

Now whatdoya know i didn't even have a quarter jack

Two weeks a nigga came back

I seen him 'fore he seen me

Hunt him down with that infared beam See

Dogs seen a many snappin

Duck in a long driveway with a rock when I'm ready to

hold 'em for ransom
