you calling
you crying
but i don't know what to say
we tried but
we got nowhere
and it ain't gonna change

you know i never meant to break your heart
i was always giving from the start
you were the one that never tried to compromise

girl you never laid down your guard
and you know it 'tore me apart
i never thought
I'd see the day where I'd have to say goodbye

you wanted more (more..more)
than i could give to you
you needed more (more..more)
than i could give to you

i gave you all of me
all of me
but it wasn't enough
it was never enough

i gave you all of me
it's no secret that i'm missing
everything we used to have

there's no use in me staying
girl it's over and there's no turning back
nooo

you know i never meant to break your heart
i was always giving from the start
you were the one that never tried to compromise

girl you never laid down your guard
and you know it 'tore me apart
i never thought
I'd see the day where I'd have to say goodbye

you wanted more (more..more)
than i could give to you
you needed more (more..more)
than i could give to you
(i gave my all to you.. oouhhw)

girl you know that i thought you'd be (the one)
from the moon to the rissing of (the sun)
with me (365)
don't feel right (wihout you by my side)
but i wasn't (enough)
cuz you still complain
no matter how hard (i tried)

you wanted more (more..more)
than i could give to you
you needed more (more..more)
than i could give to you
(i gave my all of me.. (me, me)

but it wasn't enough
(i gave my all of me.. (me, me)
all of me
